## Expectations

1. Each kid that tries out for this team and their family will be able to commit to the four dates listed above. The Board understands how some unexpected circumstances can come up or perhaps family functions have already been planned but we ask that you please clear these dates for this team if at all possible.
2. While the Board believes in participation in many different activities, all year around, we feel that this team should be the priority for any kid that wants to try out in order to maximize the experience for everyone involved.
3. Each player and their family will conduct themselves in a manner that represents the team, the organization and the community in a positive manner.

This team is to be made up of the 12 best kids from Fairmont as determined by try-outs that will take place on Saturday, May 17 at 10:30am at the FLES baseball fields. Players will be put through a series of five drills where each kid will be numerically rated. The drills will be run and evaluated by the members of the Fairmont Baseball Association Board and they will have the ultimate decision as a group who makes the team. Players that do not make the team are put on a reserve roster and if for some reason one or more of the players chosen for the team cannot attend a tournament on a particular weekend then a player can be taken off the reserve roster to fill out the team.

In order to be a part of this team a player must be:

## **13-under - Born on or after May 1, 1996**

A player may petition up in order to play for an older team if the family makes this request in writing before the try-out date. They must try-out and be one of the 12 players selected for that team. If the player is not one of the twelve chosen for the team his score can be used as a score for the next lowest level. A player may only play for one age level tournament team.

There is a cost of \$50/kid that makes this team. This payment is due when it is announced who made the team. If this fee presents a hardship for a family there are scholarships available from the "Angels of Baseball" program. Contact any
